

Dear Residents,

The Village has been informed that, due to the forecasted high winds and white out conditions tonight, the Champaign County Highway Department will cease plow operations from 6:00 PM Wednesday until 6:00 AM Thursday. At 6:00 AM Thursday, the County will evaluate the situation and determine their next steps.

Village of Savoy snow removal operations will continue throughout the day and tonight. The Village will continue to post updates, on its operations, online and on social media, as they become available.

Based on information received from the National Weather Service, winds will continue to gust at 35 MPH to 40 MPH throughout the day tomorrow. It's unlikely that road conditions will improve until sometime Friday when the winds are forecasted to be in the 10 to 15 MPH range.

Please only travel if absolutely necessary.
